(**Note:** If SCOSNJ is **not** your home club, disregard the USFS Fee. SCOSNJ will be a secondary club for the skater.)

The club, through membership in the USFS, encourages figure skating skills and knowledge through a series of tests to measure the accomplishments of the skater in the four areas of figure skating. These are moves in the field, free skating, pair skating and ice dancing. Skaters must be members of the USFSA before they can be tested. This system is used as a base for skaters to qualify for the various levels of competition.
